

Databricks Certification Drive September-2026 (Q1-FY'27)

Databricks Role-based Certification Drive

L&TT Data Team

Agenda

Databricks Role-based certification drive

- ## September-2026 Batch Timeline
- ## Databricks Academy Account Creation
- ## Databricks Enterprise Platform Account Creation
- ## Pre-requisite Learning Path
- ## Certification Boot Camp Schedule
- ## Certification Exam TimeLine
- ## Links for Certification Preparation
- ## Exam Booking Process
- ## Raising voucher request
- ## MyCredential Update

Exam Booking Guide

NOTE

**DO NOT USE
THE ACCENTURE OFFICIAL LAPTOP
TO TAKE
THE CERTIFICATION EXAM**

Certification Exam Booking Procedure

- Create a Webassessor account at <https://webassessor.com/databricks> (Use **Accenture email id [prefer]** or use Personal email id) ; If you do not have it.
- Log in to your Webassessor account.
- Click on “Register for an Exam”.
- Select the correct exam from the list and click on the + sign at left side of the exam name.
 - **Online** means → From Home
 - **Onsite Proctored** means → At Exam Center
- As per your choice click on “**Continue**” button
- Register for your desired date and time slot.
- Click on “**schedule**” button.
- Check properly the Exam Name, Date and Time of the Exam schedule.
- Click on “**Proceed to payment**”
- Enter the provided voucher code → then click on “**APPLY**” → Check right hand side, Total price will be 0 USD → Then click on “**Submit Order**”
 - Agree to any and all registration agreements.
- **You will get Exam booking confirmation mail at your registered email address.**

Certification Assessment Protocol

Please note that online proctor has stopped exams for few cases; please adhere to the exam rules and policies.

- You should have enough network speed as the live video will be recorded during exam
- Try to take the assessment using table and chair (not on bed)
- No electronics devices near the exam location
- No water bottle nearby.
- No Pen and Paper
- No lip movement during exam
- Don't leave chair during the exam.
- Nobody should enter the room during the exam.
- Your face should be properly visible during exam.
- Exam env surroundings should be neat and clean as Proctor will check it during exam.
- **Avoid Accenture Laptop** during taking the exam as it may block the exam launching.

Issues During Exam

- [Do System check before you take the exam](#)
- If Exam not launched or suspended, Connect with **Kryterion Technical Support** : Connect with Kryterion Support from Mobile using the link)

<https://support.kryterion.com/>

Do Live chat and get support to launch the exam

- If Kryterion is not being able to help, please **raise the request to Databricks** with proper error message

<https://help.databricks.com/s/contact-us?ReqType=training>

Training Brach - Partner Training

Voucher Request Guide

Request for Exam Voucher

- An additional form will be shared to reconfirm your examination booking.
- The exam voucher will be issued based on the exam date you have submitted; candidates with earlier exam dates will receive their vouchers prior to others.
- **The examination must be completed within five (5) days of receiving the voucher.**
- **Once a voucher has been assigned, it is mandatory to attempt the examination. Retention or non-utilization of the voucher will not be permitted.**
- **Any instance of voucher retention or non-utilization may be subject to escalation.**

Update MyCredential

Post certification Update MyCredential

- Post completion please update your certification in **MyCredential**
