

Google Cloud certification process

Document structure:

1. Introduction
2. GCP certifications – Overview
3. Cloud Elevate app – Steps to follow
 - 3.1 Eligibility for certification
 - 3.2 Exam nomination process
 - 3.3 GCP Learning platform
 - 3.4 Exam booking process
 - 3.4.1 Online proctored exam
 - 3.4.2 Onsite proctored exam
 - 3.4.3 Exam technical support
 - 3.5 Exam completion update
 - 3.6 Exam reschedule
 - 3.7 Exam re-booking
4. FAQs

1 Introduction

GCP certifications are industry-recognized credentials that demonstrate your proficiency in Google Cloud technologies and services. This FAQ document provides complete details on acquiring GCP certifications through Accenture's facilitation.

2 GCP certifications – Overview

Google Cloud offers a variety of certifications, catering to different levels of expertise and job roles. An overview of the certifications is provided below:

Level	Certification Name	Description
Foundation	Cloud Digital Leader	Validates broad knowledge of cloud concepts and Google Cloud's products, services, and use cases.
Associate	Associate Cloud Engineer Associate Data Practitioner	Demonstrates the ability to deploy applications, monitor operations, and manage cloud projects.
Professional	Cloud Architect Cloud Database Engineer Cloud Developer Data Engineer Cloud DevOps Engineer Cloud Security Engineer Cloud Network Engineer Machine Learning Engineer	Focuses on designing and managing secure, scalable, and reliable cloud solutions.

For more information about these certifications, including detailed descriptions and requirements, please visit the [Google Cloud Certifications page](#)

3 Cloud Elevate app – Steps to follow

The Cloud Elevate app guides participants through the entire process of obtaining Google Cloud Platform (GCP) certification. The app provides you platform for nomination of GCP certification, learning path, exam booking, and certification assistance.

3.1 Eligibility for certification:

The eligibility criteria for GCP certification nomination are outlined below:

- This program is targeted only at ATCI employees
- GCP (Onsite) employees are not considered in the audience group for this program
- Candidate should not have a pending certification on previous Cloud Elevate batch in the same FY

3.2 Exam nomination process

The nomination for GCP certification is **open 24/7** and can be accomplished using the [Cloud Elevate GCP FY25 Nomination](#)

In the app, read the guidelines provided; tick the “I have read and understood the Program Guidelines”; and click “Proceed”.

1. This program allows you to start your Cloud Foundation Certification Journey at your convenience.
2. Below are the certifications available through the Cloud Elevate Foundation program.

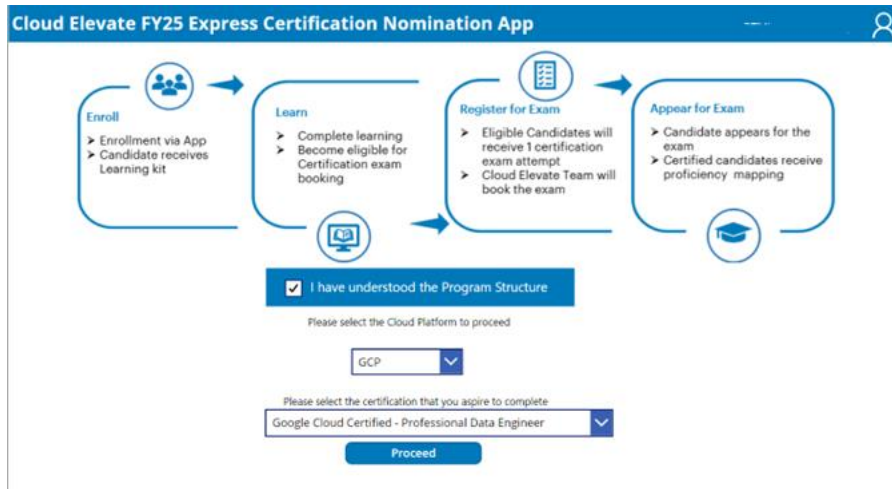

Cloud Platform	Certification Level	Certification Name
Amazon Web Services (AWS)	Foundation	Amazon Web Services (AWS) Certified Cloud Practitioner
		Amazon Web Services (AWS) Certified AI Practitioner
Google Cloud Platform (GCP)		Google Cloud Certified - Cloud Digital Leader
Microsoft Azure		Microsoft Certified: Azure Fundamentals
	Associate	Microsoft Certified: Azure AI Fundamentals
Google Cloud Platform (GCP)		Google Cloud Certified - Associate Cloud Engineer

3. Discuss certification course enrollment with your supervisor and ensure it aligns with your role.
4. After enrolling, you'll receive a **Learn kit** with a learning path link, recorded SME sessions, and Exam Readiness Workshops.
5. You can enroll for one certification at a time.
6. You must complete **80%** of online training to qualify for the certification exam booking.
7. Once you qualify (completion of 80% training by 25th of a Month), you may book exam in the coming months during Exam Booking Window.
8. Exam booking window is opened between **1st-7th** of all months. GCP exams will be booked every fortnight.
9. The Cloud Elevate team will finalize your exam booking and notify you.
10. Attend the exam and report the exam outcome to the Cloud Elevate team via [Cloud Elevate Experience app](#).

☒ I have read and understood the Program Guidelines

Proceed

Tick the “I have understood the Program Structure”. In the cloud platform drop down box, choose GCP. In the certification drop down box, choose the GCP certification you want to nominate and click “Proceed”. Next, confirm your nomination.

After the nomination, you will get a mail from the Cloud Elevate team with the details of learning path, SME connect, and other details.

3.3 GCP Learning platform

The learning path for GCP certifications are included in <https://partner.cloudskillsboost.google/>

SME Connect: Every fortnight for CDL and ACE and monthly 3-4 times for other Professional certifications

Exam Readiness: Every fortnight for CDL and ACE and monthly once for other Professional certifications

3.4 Exam booking process

After completing the learning path, booking for the nominated certification can happen. Exam booking window will be open from **1st – 7th and 16th – 21st every month**. Participants who have completed their learning will be eligible for subsequent exam booking cycle. Participants can book for online proctored or onsite proctored exam.

3.4.1 Online proctored exam

For taking up the exam online at home/office you can choose online proctored exam. We recommend using **personal devices** to take the online proctored exam since you might face interruption on office laptops due to admin rights / periodic updates, etc.

Steps to book for exam:

For taking up the online proctored exam, after completing the learning path, you will receive a mail for exam booking.

1. Book for the nominated exam through [Exam Booking app](#).
2. Attend the exam in the [Login | CertMetrics](#) exam portal

3.4.2 Onsite proctored exam

For taking up the exam in the exam center, you can choose onsite proctored exam.

Steps to book for exam:

1. Book for online proctored exam in [Exam Booking app](#)
2. Get confirmation for exam schedule
3. Cancel the exam 72 hours before the exam and share the screenshot for voucher request.
4. Get the exam voucher code from Cloud Elevate team
5. Book for onsite proctored exam using voucher code – register for exam - choose date and exam center in <https://cloud.google.com/learn/certification?hl=en#why-get-google-cloud-certified> for the required certification

Note:

- *If you get voucher from Google, please directly book for the exam in Google cloud website and update the status of exam in Xperience app.*
- *It is highly recommended to book for exam atleast 15 days after nomination.*

3.4.3 Exam technical support

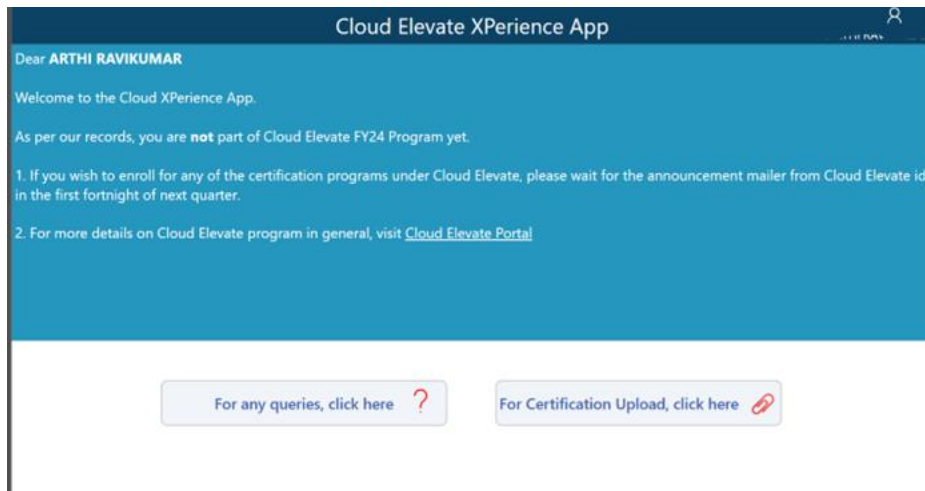

During the exam if you face any technical issue please contact:

- 1) https://kryterion.my.site.com/support/s/contactsupport?language=en_US
- 2) <https://support.google.com/cloud-certification/gethelp>
- 3) [Google Cloud Certification Support](#)

3.5 Exam completion update

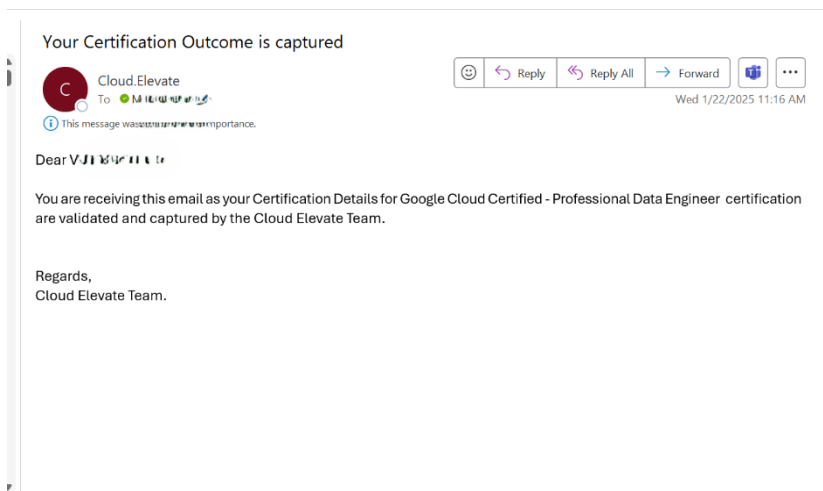

After the completion of exam update the exam status in the [Cloud Elevate Xperience App](#) for exam pass / fail / no show / technical issue during the exam.

Go to Cloud Elevate Xperience App. Choose “For Certification Upload, click here”

Update your exam details with the outcome as pass/fail/NoShow/Technical issue faced during exam.

You will get a confirmation mail from Cloud Elevate team which appears as below:

Exam status:

- **Pass:** If you get a pass, after confirmation mail from cloud elevate team, you will get a competency rating added in MyCompetency within 30 days.
- **Fail/No Show/technical issue:** Re-book for the exam.

3.6 Exam reschedule

If you are unable to attend the exam on the scheduled date you can reschedule the exam 72 hours before the exam date using <https://support.google.com/cloud-certification/answer/9908049?hl=en>

3.7 Exam re-booking

In case of No Show / technical issues / fail on the scheduled exam, first update the status of the exam in Cloud Xperience app.

Get exam status confirmation mail from cloud elevate team. Next, follow, the same procedure for exam booking.

4 FAQs

Q: What are the important links for GCP certification process?

A:

Application	Description
